Janice Maddox, resident, along with three other residents, of Dublin Green MHP, LLC, located at 417 Savannah Avenue, East Dublin addressed the Mayor and Council with complaints about their water bill costs that they receive from the mobile home park property owners. Mayor Gornto advised Ms. Maddox that the mobile home park is located outside the city limits of East Dublin and that the City supplies water services to the entire park through one water meter and the property owners are billed for the total water usage. He advised her that it is strictly up to the property owner how to disperse the amount of water costs among the residents in the park. Mayor Gornto also advised her and the others present to contact the property owners with their concerns.

Being no further business, a motion to adjourn was made by Councilman Jackson and seconded by Councilman Young. All voted in favor with none opposed.
